Presentation Selection

All presentation proposals will be reviewed by the FACM Conference Committee. Selection will be determined on appropriateness and interest of topic, level of content, comprehensiveness of session objectives and expertise of the presenter. Presenters will be invited to participate after review of the proposal. Presenters will only be notified of their acceptance.

FACMs Non-Commercial Policy

Participants in the FACM events are seeking valuable educational sessions and are always critical of presenters or sessions that are self-promotional. FACM policy therefore states that presenters (including sponsors) may not use a FACM educational event for commercial sales pitches, self-promotion or unwarranted criticism of a competitor. Presentations are meant to advance the educational process and professional development of our members and quest.
